Dance Camp for Youths

July 13-17: 9:00-11:30
4 to 8 year olds:

Youth oriented curriculum to include ballet training, musicality, imagination, choreography and presentation.

A fun morning of exploring movement, ballet, arts and crafts and exploring the imagination. From Island imagination, to Jungle animals, this child centered curriculum is designed to assist the young child in accessing mind and body connections, as well as heart and and body. Lead by Miss Carolyn Wilson, an expert in early child education, the children dance

from 9:00-10:00, have a snack from home and story time, from 10:00-10:30, and explore crafts and choreography from 10:30-11:30. If the children feel ready, we would like to incorporate them into the Friday Performance Ensemble in the Amphitheater.
